

AutoPlus Gun

Airless Sealant and Adhesive Gun

Versatile and Long-Lasting

- Specifically designed needle and seat, tailored for longer life in sealant and adhesive applications, mean less maintenance issues and more uptime for your system
- Lightweight and compact rounded gun design
- Capable of handling high production speeds
- Durable stainless steel construction handles the toughest materials
- Fewer parts means an overall lower cost of repair
- Wide range tip line for a variety of applications
- Capable of handling multiple nozzle sizes for any application

Simply a Workhorse

Ordering Information

Airless Spray Gun
288554 Auto Plus Gun

Manifolds (required for gun installation)
