

# Touch-Up Performance Series

A TOUCH-UP GUN WITH THE ULTIMATE FINE FINISH

## Compact MINI

SB-2-858

Available in Trans-Tech  
and HVLP

The Compact MINI incorporates sensitive fan control into the comfort of a full-size gun. This gun has the pattern range and versatility needed for top quality fine finishing, including touch-up applications.

A fine finish spray gun with many practical uses throughout general industry, ergonomically styled for comfort.

- Choice of HVLP or Trans-Tech Compliant air caps provide superior atomization of both solvent and water based materials
- Stainless steel fluid tips and needles
- Balanced air valve design for lighter trigger pull and improved air flow
- Lightweight, strong, forged aluminium gun body
- A quality screw top anti-static gravity feed cup with 125 mls. capacity
- Optional semi-disposable or disposable cups are available

### Typical Applications

- Fine shading
- Retouching
- Stenciling
- Spot repair
- Reworking

### Suitable for these materials

- Solvent and water based paints
- Stains and varnishes
- Inks and dyes
- Lacquers
