

Air-On-Line

GAS & ELECTRIC DRIVEN
1 - 8 HP

What is your line of work? Construction? Industrial? So is ours. For over half a century Champion has been designing and manufacturing one of the best Compressors available. Unfortunately, Champion didn't have a portable line of compressors to offer. Things have changed; now Champion has a complete line of portable compressors that will put your mind at ease with their solid construction and exceptional performance.

ADVANTAGES

- ▶ Our industrial strength solid cast iron compressor pumps are designed for rugged applications.
- ▶ Low operating speeds reduce the wear and extend the life of the compressor package.

- ▶ With every Air-On-Line product you buy, you will find it is backed by over 1000 authorized parts and service centers in the United States. Air-On-Line packages are backed with a one-year warranty.
- ▶ Our ISO 9002 manufacturing facility assures you a high quality product from start to finish.

PORTABLE COMPRESSORS

- ▶ 120 Volt Single Phase, 60 Hz motors with 15 Amp plug
- ▶ Industrial Honda OHV Engines

- ▶ Factory Filled with Heavy Duty Lubricants
- ▶ Fully Enclosed Belt Guard (where applicable)
- ▶ Industrial Grade Semi Pneumatic Tires (where applicable)
- ▶ Pressure Gauges
- ▶ Lift Handles with Rubber Grips
- ▶ Quick Connect Fitting
- ▶ Belt Tightener (where applicable)
- ▶ Auto Start/Stop on Electric Models
- ▶ Idle Control for Added Safety (Gas Models)
- ▶ Quality Pilot Valve (Gas Models)

CHAMPION®

PORTABLE AIR COMPRESSORS

Unit Model	HP	Power	Lubrication	Compressor Pump	Stages	Tank Gallons	CFM Delivery		WT lbs
							100 psi	175 psi
