# SWING ARMS
## MAKE YOUR WORKPLACE USER FRIENDLY

Swing arms. with a variety of attachments, can be added to existing workstations or benches. Column mounts clamp on any **WS50** or similar column or rail. Bench mount can be bolted to any level surface. Arms, elbows and attachments slide together and can be adjusted to provide maximum worker efficiency…least worker strain. Black baked polyester finish (boards natural, beige or white as shown).Max capacity 30 lbs.(13.5 kg), arm alone or arm and elbow together. Use of three or more arms or elbows on one mount reduces capacity and is not recommended. Swing arms, elbows and attachments include adjustable drag brakes. Installation hardware included with column mounts.

Single Column Kit shown with swing arms. Swing arms may also be used with dual column kits.
