COMPRESSED AIR SYSTEMS & EQUIPMENT

C.H. Reed provides a wide assortment of sustainable solutions for compressed air systems of all sizes. With a focus on reliability, cost reductions, and energy efficiencies, C.H. Reed works with you to improve your overall compressed air system; leading to an increase in quality, facility productivity, & energy savings.

Energy | Environment | Ergonomics | Productivity | Quality | Safety

TECHNICAL SERVICES & AIR MANAGEMENT

- System Analysis & Design
- Audits, Energy Surveys, Leak Detection
- Turn-Key Installs
- Flow Controllers / Sequencers / Controls
- Modular Container Systems & More...

ROTARY SCREW AIR COMPRESSORS

- 5 - 450 HP Units
- Variable & Fixed Drives
- 10 Year Warranties
- Ease of Maintenance

Quincy Compressor | Chicago Pneumatic

NITROGEN & OXYGEN GENERATION SYSTEMS

- Reliable On-Site Gas Generators
- Cost-Efficient & Sustainable
- No Logistics = Increased Safety
- Turn-key Systems

Pneumatech | Nano

AIR TREATMENT & COOLING

Air Dryers: Refrigerated, Desiccant, Deliquescent

- Cycling / Non-Cycling
- Line Filters / Intake Filters / Zero Loss Drains
- Condensate Separators
- Grade D Breathing Air

Quincy Compressor | Hankison | BEKO | Nano | ZEKS

OIL-FREE AIR COMPRESSORS

- Up to 200 HP Rotary Screw Options
- Class Zero Air
- Rotary, Reciprocating, Centrifugal, Scroll Options

Quincy Compressor

RECIPROCATING AIR COMPRESSORS

- 1/2 - 25 HP Units
- Complete Packages
- Climate Control
- Lubricated & Oil-Free

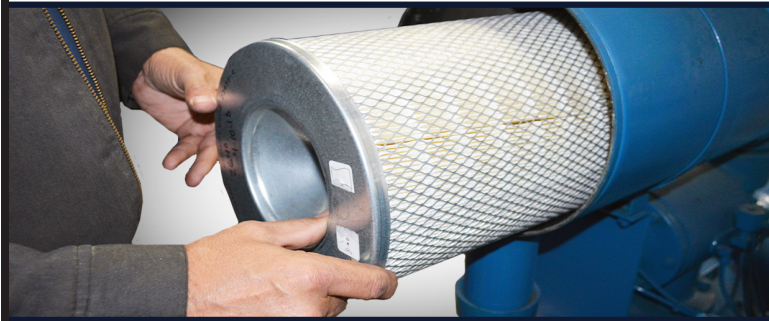

Quincy Compressor | Chicago Pneumatic

INDUSTRIAL VACUUM PUMPS

- Up to 125 HP Vacuum Options
- Rotary Screw, Rotary Vane, Articulated Piston, Dry Claw, Liquid Ring, Medical
- For Lifting, Moving, Forming, Shaping, Preserving, & Clean Environment Applications

Quincy Compressor

COMPRESSED AIR SERVICES

- 24/7/365 Emergency Repair, All Brands / Sizes
- Planned Maintenance Programs
- System Audits, Air Studies, Leak Detection
- Air Quality Testing
- And More...

PARTS, LUBRICANTS, AFTERMARKET, ACCESSORIES

- Aluminum Compressed Air Piping
- OEM / Aftermarket Parts & Service Kits
- Replacement Desiccant & Dryer Parts
- Drains, Fittings, Replacement Parts, Filters
- Air Compressor Oils / Lubricants
- And Much More...
