

C.H. Reed provides a wide assortment of sustainable solutions for compressed air systems of all sizes. With a focus on reliability, cost reductions, and energy efficiencies, C.H. Reed works with you to improve your overall compressed air system; leading to an increase in quality, facility productivity, and energy savings.

TECHNICAL SERVICES & AIR MANAGEMENT

- System Analysis & Design
- Audits, Energy Survey Leaks, Leak Detection
- Turn-Key Installs
- Flow Controller / Sequencers / Controls
- Modular Container Systems & More

ROTARY SCREW AIR COMPRESSORS

- 5 - 450 HP Units
- Variable & Fixed Drives
- 10 Year Warranties
- Ease of Maintenance

Quincy Compressor | Chicago Pneumatic

NITROGEN & OXYGEN GENERATION SYSTEMS

- Reliable On-Site Gas Generators
- Cost Efficient & Sustainable
- No Logistics = Increased Safety
- Turn-key Systems

Pneumatic | Nano

AIR TREATMENT & COOLING

Air Dryers: Refrigerated, Desiccant, Deliquescent

- Reliable On-Site Gas Generators
- Cost Efficient & Sustainable
- No Logistics = Increased Safety
- Turn-key Systems

Quincy Compressor | BEKO | Nano
Hankison | ZEKS

OIL-FREE AIR COMPRESSORS

- Up to 200 HP Rotary Screw Options
- Class Zero Air
- Rotary, Reciprocating, Centrifugal, & Scrolls

Quincy Compressor

RECIPROCATING AIR COMPRESSORS

- 1/2 - 25 HP Units
- Complete Packages
- Climate Control
- Lubricated & Oil

Quincy Compressor | Chicago Pneumatic

INDUSTRIAL VACUUM PUMPS

- Up to 125 HP Vacuum Options
- Rotary Screw, Rotary Vane, Articulated Piston, Dry Claw, Liquid Ring, Medical
- For Lifting, Moving, Forming, Shaping, Preserving, & Clean Environment Applications

Quincy Compressor

COMPRESSED AIR SERVICES

- 24/7/365 Emergency Repair - All Brands
- Planned Maintenance Programs
- System Audits, Air Studies, Leak Detection, Air Quality Testing & More...

PARTS, LUBRICANTS, AFTERMARKET, ACCESSORIES

- Aluminum Compressed Air Piping
- OEM/Aftermarket Parts & Service Kits
- Replacement Desiccant & Dryer Parts
- Air Compressor Oils, Lubricants, Filters, Parts, & More...

Your **Partner** for Compressed Air, Paint Finishing, & Fluid Handling Technologies

Serving PA, MD, DE, VA, WV, OH, MI & NY
